### Reminders - Important dates

#### Dates for your diary

- **2019 BEST events** and **Primary Care Network** meeting dates and deadlines for booking cover are available [here](#)
- **2020 BEST events** and **Primary Care Network** meeting dates and deadlines for booking cover are available [here](#)

### Delay in supply of Live Attenuated Influenza Vaccine (Fluenz Tetra)

Thank you for your continued support on the delivery of the annual flu programme especially given the issues with the vaccine supply for children and those under 65. Public Health England published clinical prioritisation for children in high risk groups, as a result of the delay in delivery of some batches of childhood Live Attenuated Influenza Vaccine (LAIV Fluenz Tetra) nasal spray issued on 21 October 2019, which can be found via this link [PHE briefing note 2019/051.](#)

NHS England and NHS Improvement can confirm that practices who have followed the advice given by PHE that where LAIV is not available and they have vaccinated those children who are at risk with QIV and coded the vaccination appropriately will receive payment. The current Business Rules will support payment to practices whether the child has been given LAIV or QIV.

Practices are advised to use the centrally supplied stock of QIV and should follow the PHE guidance (see link above) on responsible ordering of central supply of QIV which will help support the direction of stock to those with greatest immediate need as it becomes available. Where practices are obliged to use their own stock as no centrally procured stock is available, and to avoid delaying vaccine administration, this will be reimbursed in the usual way.

Practices are asked to continue to call and recall children and to only order vaccine in line with the latest guidance from PHE on ImmForm even if this is below the maximum quota to avoid stockpiling. Close adherence to the vaccine storage requirements in the cold chain is essential to avoid vaccine wastage.

---

### **Public Health Forum - 9 December 2019**

Details of the next Barnsley Public Health Forum to learn more about Healthy Weight & Food programmes and BMBC Staff Wellbeing developments can be found [here](#). This is an open invite to staff working in Barnsley. Please confirm attendance to [rossspedding@barnsley.gov.uk](mailto:rossspedding@barnsley.gov.uk)

### **PDA: Cardiac Rehabilitation**

Please note that if practices are referring patients with angina for cardiac rehabilitation then they need to be prescribed a **GTN spray** to take with them to the exercise sessions (they will be sent home if they do not have one).

### **MacMillan Hot Topics Session - Thursday 9 January 2020**

The next Macmillan Hot Topic session will be on Lung Cancer and delivered by Dr Hussain, Consultant Respiratory physician at Barnsley Hospital.

The session will be held from 6.30 – 8.00 pm on Thursday 9 January 2020 at Barnsley Hospice, with a light buffet served from 6.00 pm. Places are limited so please book by emailing Dr Steph Edgar, Macmillan GP at [stephanie.edgar@nhs.net](mailto:stephanie.edgar@nhs.net)

### **BEST Photography Competition**

Do you enjoy taking photographs ? BEST are running a photography competition which is open to all staff working in a Primary Care Practice in Barnsley. Details about how to enter are included on the attached [flyer](#).

For further information or to submit an entry please contact Michelle Thompson at: [michelle.thompson26@nhs.net](mailto:michelle.thompson26@nhs.net)

## FREE chairs

The CCG has four chairs going spare, see attached [photo](#) which will be disposed of in the next couple of weeks. Before disposing of them the CCG wanted to ask if any practices could put them to use. Please note collection would be required as soon as possible. If you are interested please contact Dawn Bentley at Hillder House on 01226 433756 or [dawn.bentley@nhs.net](mailto:dawn.bentley@nhs.net)

## General Practice Improvement Leads Programme

The Sustainable Improvement team are currently running a further General Practice Improvement Leads programme due to commence in January 2020 in Derby. This programme is a 'national' cohort open to those in general practice across the whole of England.

Please see attached a flyer with the programme dates. [All applications or enquiries can be made via the website \(details on the flyer\)](#).

## EDUCATION AND TRAINING

### Free EMIS web and SystemOne Training Workshops

- [EMIS web](#)
- SystemOne - awaiting new dates

**Places on all courses are limited and will be offered on a first come first served basis.**

<https://itselfservice.embedhealth.co.uk/> using the option "Clinical Software Training Request" or alternatively if you do not have log in details for the portal, or for any other

queries, please contact the IT Service desk by telephone 0345 140 8000 or email [IT\\_Servicedesk@embedhealth.co.uk](mailto:IT_Servicedesk@embedhealth.co.uk)

## **Cervical Cytology - Transition of Cervical Screen provider and conversion from SurePath to ThinPrep**

**FAO Sample Takers, Sample Taking Coordinators and Training Providers**

Attached are details of sample taker training dates and venues in your area..

A **minimum** of one sample taker from each practice or clinic **must attend a face-to-face training session** and then undertake cascade training to all other sample takers in their practice or clinic. A training video is available on the CSTD Website to support the cascade training and all sample takers will receive a conversion certificate on completion of this training.

**Please ensure that at least one sample taker from your practice / clinic attends one of the training sessions prior to go-live on 27 January 2020.** To book a session please contact Lynne Brown on 0191 445 2525 or [lbrown10@nhs.net](mailto:lbrown10@nhs.net) **PLEASE NOTE:** Hologic Pump prime kits will start to be delivered the week commencing 6 January 2020. **Please do not use before 27 January 2020.**

## **Diabetic Foot Screening Training - 2020**

Details of Diabetic foot screening training days for practice nurses, district nurses, ward nurses or any other health professional planning to undertake diabetic foot screening can be found [here](#)

## **Improving Dementia Care Conference – Tuesday 11 February 2020**

This conference will feature exemplary case studies of best practice across health, social care, housing, local government and communities. From successful integrated care models, creating dementia friendly communities, to carer support and public awareness promotions.

You will also explore considerations for expanding and upskilling the dementia care workforce and will hear views and opinions directly from people living with dementia and their carers.

**Key Points are:**

- What next after the Challenge on Dementia 2020?
- Raising dementia awareness, promoting healthier lifestyles and preventative treatment to reduce risk
- Integrating health, housing and social care to provide holistic support
- Supporting carers and people with dementia to live at home for longer
- Workforce considerations for dementia care
- Creating dementia friendly communities
